HYDRAULIC DRIVE

A hydraulically driven portable machine that can be fitted directly to trucks and machines which have a hydraulic drive. Use on different types of equipment such as garbage trucks, cement mixers, skip loaders and tractors. All hydraulic sets are available as a kit, or alternatively with gun, lance, hose and nozzles.

Supplied with pump mounting rails

Many optional mounting positions available

Fit to your Hydraulic system.

**An ideal solution when noise matters.
No loud petrol or diesel motor, just the sweet purr of your hydraulic circuit.**

Italian Hydraulic Pump
Comet Italy slow speed water pressure pump
Supplied with Unloader valve, pressure gauge & inlet filter
Upgrade your water filter to suit the application
